SINCE 1960

The Famous Taste of Ludhiana

Our story begins a long time ago in the land of the five rivers. A land blessed with abundant sunshine, plentiful rain and fertile soil. Here in the land of plenty, the fields were lines with golden stalks of wheat. The cows were well-fed and happy. The milk was fresh and creamy and the home-churned butter was full of nature's godness.

The men tilled the while the women happily went about their daily chores, serving lip-smacking meals. In such a land was born the legend of Chawlas<sup>2</sup> and the famous Cream Chicken. From a simple eatery serving soul-satisfying Punjabi delicacies, the legends spread far and wide.

Today, there are 160+ outlets in India and abroad serving the legendary Butter Chicken, Kadai Chicken, Cream Salad, Tomato Chicken Kadai Paneer and of course, the legendary cream delicacies. The taste loved by million has now made its way to the heart of NOIDA. Lovers of good food, enjoy the experience!
